DARIO

nidi

Disegniamo spazi da vivere in libertà. Immaginiamo la stanza di bambine e bambini come un mondo colorato costruito attorno alle loro esigenze, la camera di ragazze e ragazzi come una casa nella casa dove vivere esperienze, condividere emozioni e diventare indipendenti. Ci piace pensare che ogni stanza sia un racconto, dove i colori sono ispirati alla natura e i complementi, gli accessori, le carte da parati, tessuti e stickers danno ritmo, carattere e personalità alla narrazione.

We design spaces that play by your rules. We picture the kids' room as a colourful world built around their needs, your teenager's bedroom as a home within the home, a place where they can experience things, share emotions and become independent. We like to think of each room as a story, where colours take their inspiration from nature, a story punctuated by complements, accessories, wallpaper, fabrics and stickers that all add character and personality to the narrative.

4/7 YEARS

L'infanzia è il regno dei sogni: la camera è un luogo dove giocare, imparare ed esplorare. Tutti gli arredi sono scelti per rendere ogni stanza il miglior ambiente possibile dove crescere.

Early childhood is the realm of dreams: the bedroom is a place for kids to play, learn and explore. Every piece of furniture is chosen to ensure each room is the best possible place for them to grow.

Crescere significa avere nuove esigenze. Leggere, fare i compiti, giocare con gli amici e dedicarsi a quelle piccole passioni che, a poco a poco, prendono una forma sempre più definita.

Growing up means having new needs. Reading, doing homework, playing with friends and spending time on those little passions that gradually take a more defined shape.

13/16 YEARS

Sentirsi grandi e volerlo dimostrare: da piccolo parco giochi, la camera diventa uno spazio in cui dormire, studiare, scoprire, sperimentare, condividere... e iniziare a progettare in grande.

Feeling all grown up and wanting to show it: the bedroom is no longer a little playground, morphing instead into a space for sleeping, studying, discovering, experimenting, sharing... and starting to plan big.

ARMADI BATTENTI

HINGED DOOR WARDROBES

Gli armadi battenti sono dei classici irrinunciabili. Pratici, funzionali, disponibili nella versione a spalla e contenitore, accessoriabili con diversi elementi, permettono di progettare una composizione dalle mille sfumature.

Hinged door wardrobes are classic staples. Practical, functional, available as a wardrobe system or with load-bearing side panels, with a comprehensive range of accessories to choose from, they can be put together in myriad configurations.

Il modulo sovrapponibile, disponibile con chiusura rallentata, ti permette di sfruttare lo spazio anche in altezza.

The stackable module, which can come with soft-close hinges, allows you to exploit the height of the interior, too.

Decidere di inserire l'attrezzatura interna con elementi estraibili è sempre una buona idea.

Opting to fit out your wardrobe interior with pull-out fittings is always a good idea.

Il modulo armadio consente una doppia apertura per differenziare al meglio i due vani.

A wardrobe module with stable doors allows the two sections of the interior to be kept more distinct.

Le guide rallentate sono comode per la chiusura del cassetto.

Soft-close runners are handy for closing the drawer.

Il modulo con base meno profonda permette di avere sempre tutto in ordine: puoi posizionarci anche i contenitori per i giochi con ruote.

Using the module with a shallower base helps keep everything tidy; it can also accommodate toy boxes on wheels.

FILOSOFIA PHILOSOPHY

DESIGN SPACE FOR CHILDREN

Disegniamo spazi da vivere in libertà. Immaginiamo la stanza di bambini e bambine come un mondo colorato costruito attorno alle loro esigenze e la camera di ragazzi e ragazze come una casa nella casa dove vivere esperienze, condividere emozioni e diventare indipendenti.

Ci piace pensare che ogni stanza sia un racconto, dove i colori sono ispirati alla natura e complementi, accessori, carte da parati, tessuti e sticker danno ritmo, carattere e personalità alla narrazione.

Siamo attenti alla qualità e alla sicurezza. Produciamo tutti i nostri arredi in Italia, per rendere ogni spazio il miglior ambiente possibile dove crescere.

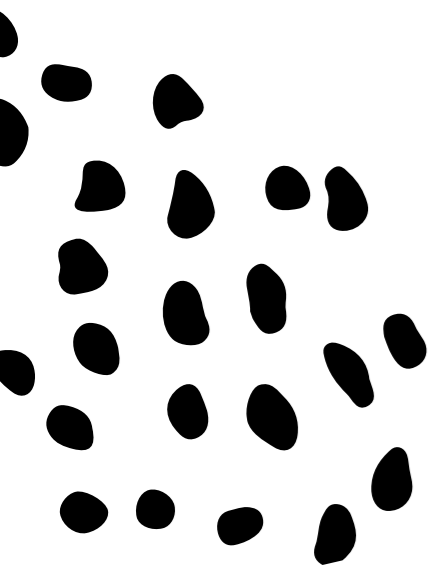

We design spaces that play by your rules. We picture the kids' room as a colourful world built around their needs and your teenager's bedroom as a home within the home, a place where they can experience things, share emotions and become independent.

We like to think of each room as a story, where colours take their inspiration from nature, a story punctuated by complements, accessories, wallpaper, fabrics and stickers that all add character and personality to the narrative.

We take quality and safety very seriously. We make all our furniture in Italy to ensure each space is the best possible place for them to grow.

MANIFESTO

MANIFESTO

DESIGN

DESIGN

Ci ispiriamo alle esigenze e ai desideri di bambini e ragazzi per disegnare gli spazi proprio come farebbero loro.

Inspired by the needs and wants of kids and teens, we endeavour to design spaces just as they would.

COLORE

COLOUR

Come la fantasia, i colori arrivano dappertutto.

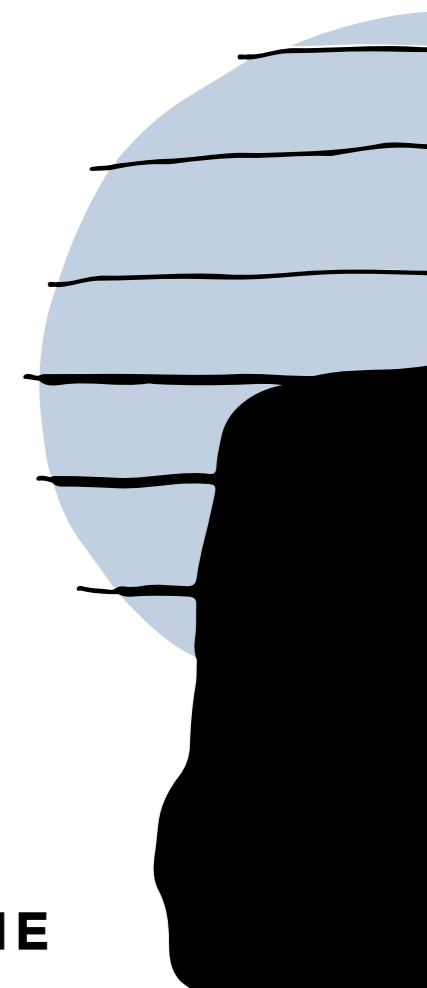

Like our imagination, colour works its way everywhere.

FLESSIBILITÀ

FLEXIBILITY

Quando bambini e ragazzi crescono, esigenze, passioni e gusti cambiano, così come la loro stanza, che si adatta e si trasforma insieme a loro.

As kids and teens grow, their needs, passions and tastes change, as does their bedroom, which adapts and transforms with them.

EMOZIONE

EMOTION

La camera è un racconto. Arredi, complementi, accessori e colori sono gli elementi di una narrazione unica e personale.

The bedroom is a story. Furniture, complements, accessories and colours are elements of a unique, personal narrative.

(IM)PERFEZIONE

(IM)PERFECTION

Progettiamo spazi che accolgono il mondo imperfetto e bellissimo di bambini e ragazzi.

We design spaces to embrace the imperfect and wonderful world of kids and teens.

Usiamo solo pannelli ecologici certificati ISO 9001, prodotti con emissioni di formaldeide prossime allo zero e fatti con legno rigenerato per salvaguardare l'ambiente senza abbattere nessun albero. Anche i nostri sistemi di imballo sono eco-compatibili e completamente riciclabili. Per gli elementi laccati vengono usate solo vernici all'acqua, così le emissioni tossiche nell'atmosfera sono ridotte del 95%, l'ambiente di lavoro è più salubre e chi userà il mobile può stare assolutamente tranquillo.

Nidi respects the environment and the health of workers and customers alike. We use only ISO 9001-certified ecological panels, produced with near-zero formaldehyde emissions and made with regenerated wood to be kind to the environment instead of felling trees. Even our packaging systems are environmentally compatible and 100% recyclable. We use only water-based paints for our lacquered units, effectively reducing toxic emissions into the atmosphere by 95%, producing a healthier workplace and providing the furniture's end users with complete peace of mind.

Next è ciò che succede dopo.
Quando le passioni diventano qualcosa di più, l'indipendenza è sempre più reale e s'inizia a pensare al futuro. Next è quando la propria stanza è tutto. Uno spazio in cui dormire, studiare, lavorare, scoprire, sperimentare, condividere... e progettare in grande. Next è la nuova proposta di Nidi per i giovani. Attraverso tonalità neutre, linee essenziali e dettagli funzionali, declina un universo fatto di colore, design e flessibilità a un gusto più adulto.

Next is what comes, well, next.
When passions morph into something more, independence is becoming more of a reality, and you start thinking about the future. Next is when your room is everything. A space for sleeping, studying, working, discovering, experimenting, sharing... and planning big. Next is Nidi's new range for young adults. With its neutral colour schemes, pared-back lines and functional details, it offers a universe built on colour, design and flexibility catering to more grown-up tastes.

A Elisa piacciono i libri. Le piace leggerli, ma anche sfogliarli, riordinarli sugli scaffali, regalare agli amici quelli che ha amato di più. Anche quando è a casa di qualcuno l'occhio le cade subito sulla libreria: scorrere titoli e autori le svela sulle persone molto più di quanto loro stesse raccontano.

Elisa has a thing for books. She likes to read them, but she also likes to flick through them, rearrange them on their shelves, and give her best-loved ones to friends. Even when she's at someone else's house, she can't help but check out the bookshelf: running your eyes over titles and authors tells you so much more about a person than that person ever could.

Marco non ha ancora progettato un vero edificio, ma sogna di farlo non appena diventerà architetto. I suoi preferiti sono i grattacieli, capolavori di tecnologia che sfidano il cielo un piano alla volta. Dev'essere pazzesco vivere lassù e poter guardare la città dall'alto.

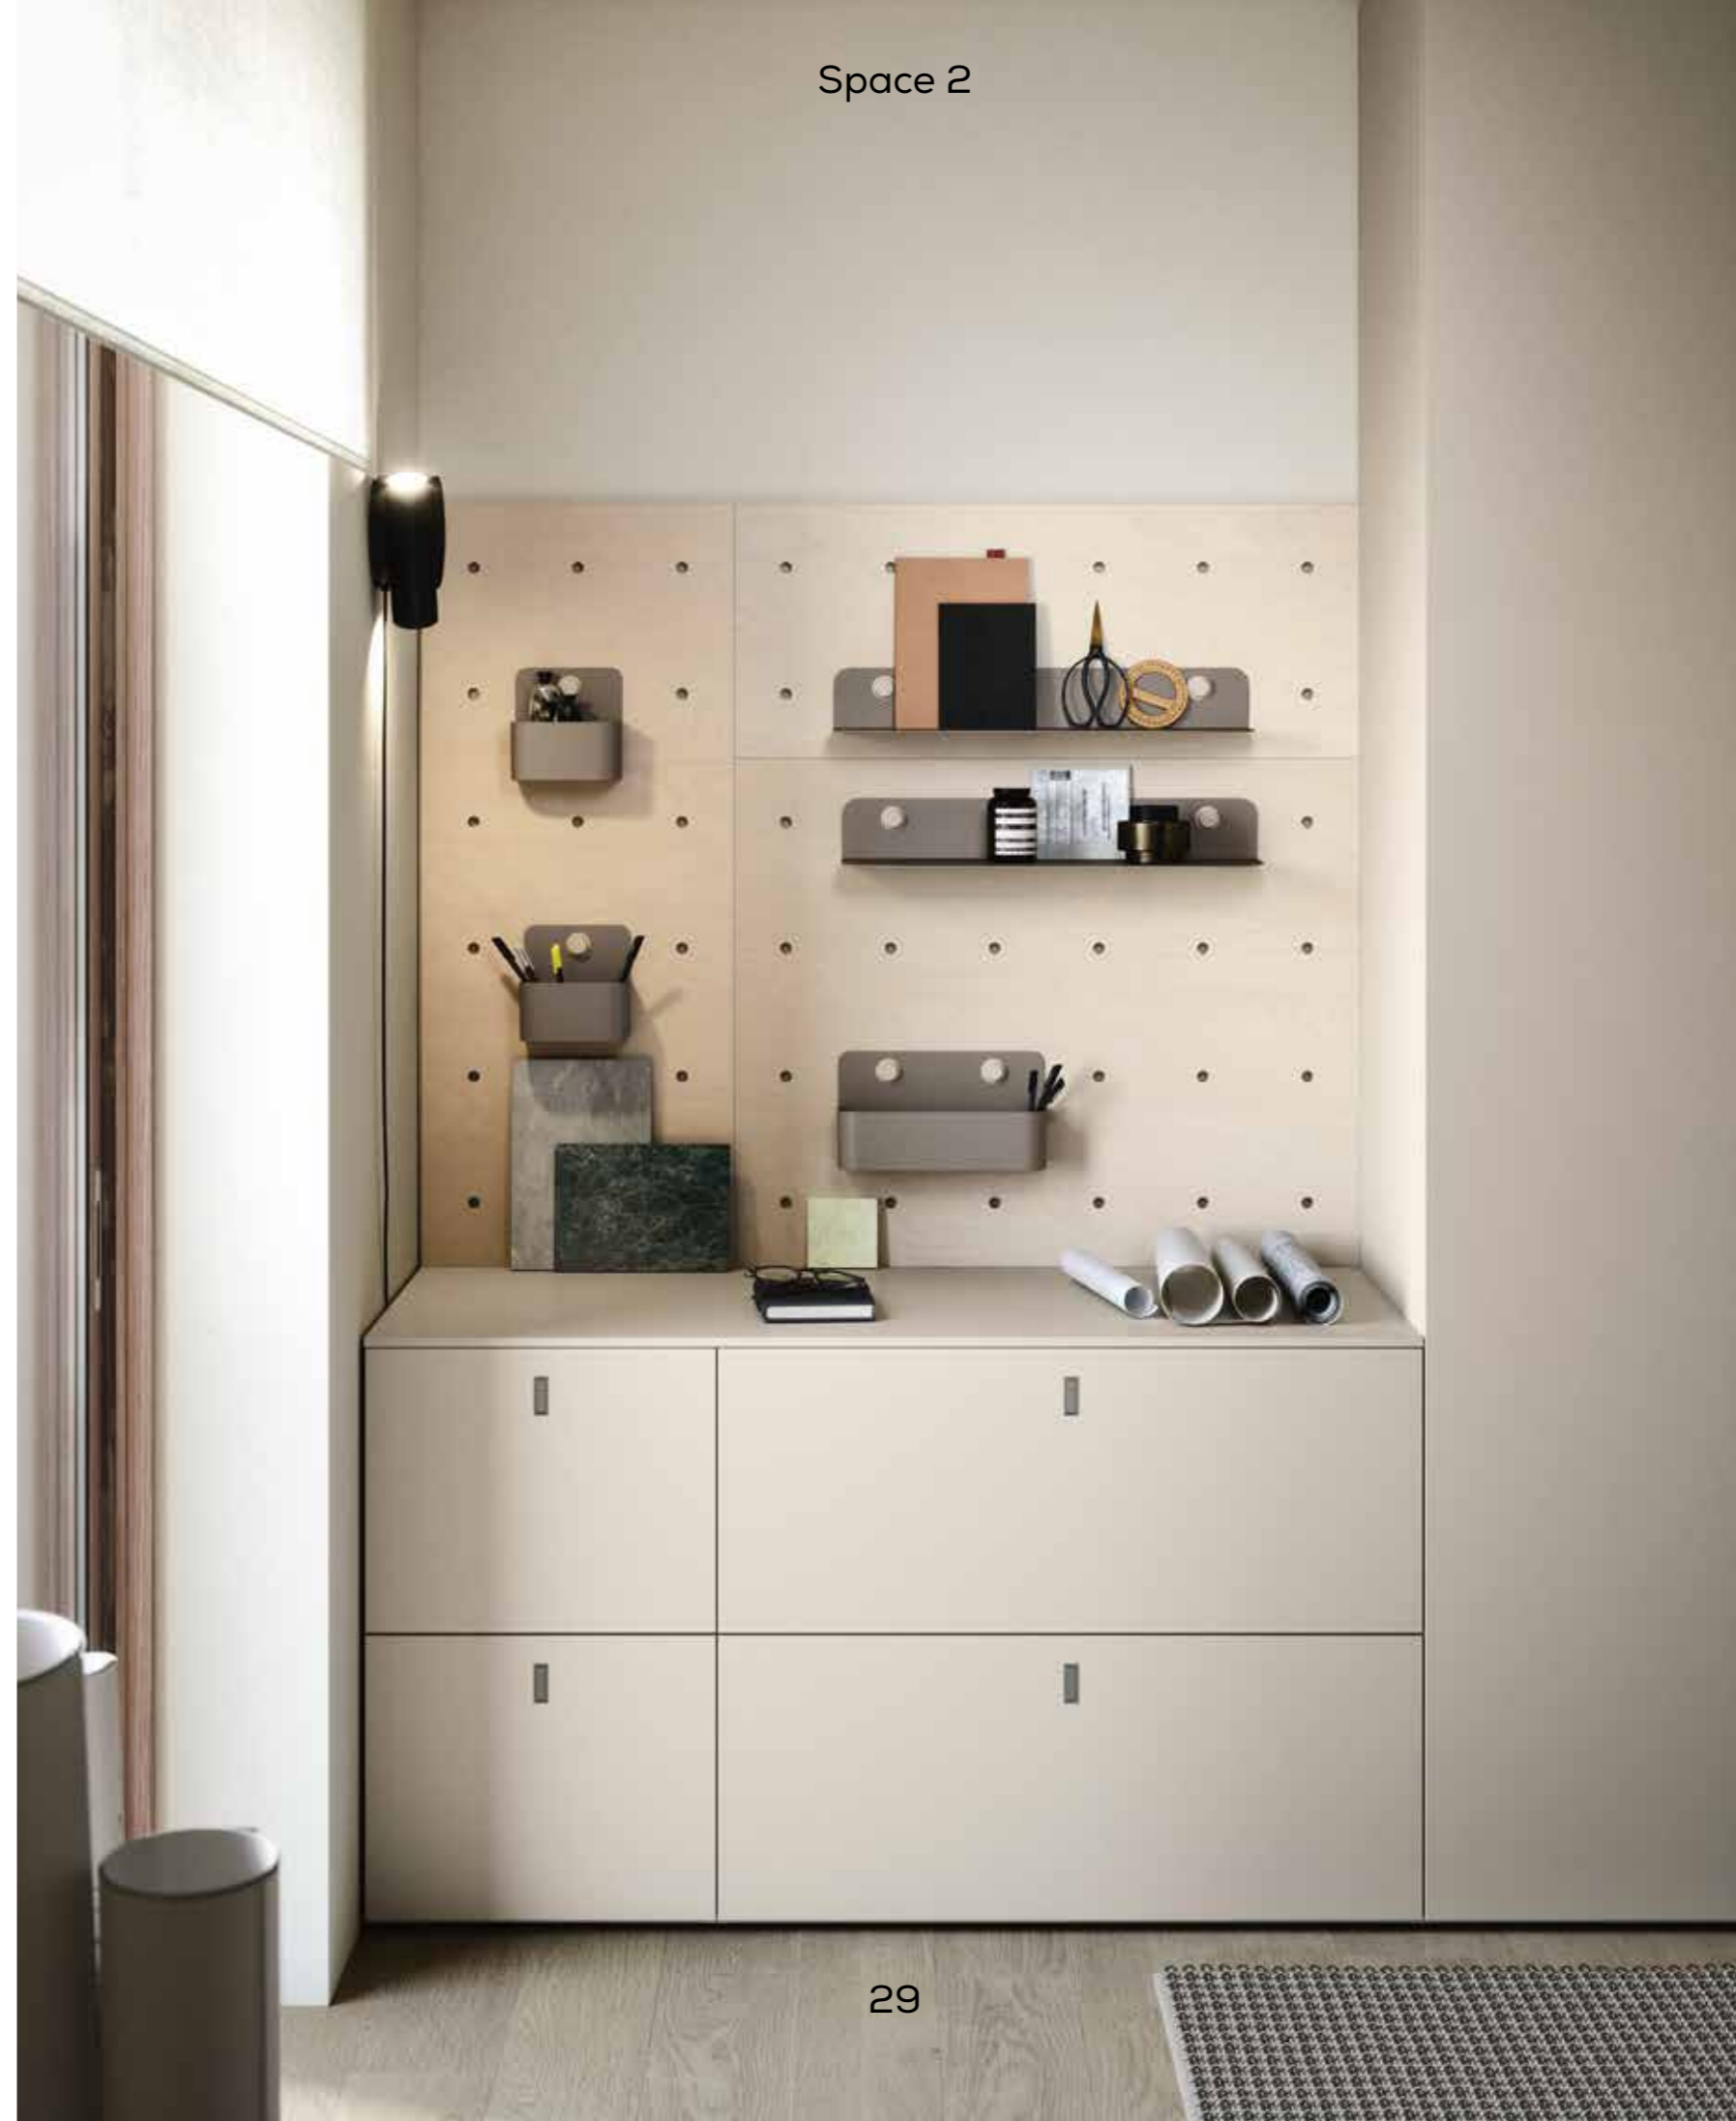

Marco hasn't designed an actual building yet, but that's his dream just as soon as he becomes an architect. He has a penchant for skyscrapers, those feats of engineering that defy gravity one floor at a time. How amazing it must be to live up there and have a bird's-eye view of the city down below.

La prima cosa che Giulia fa appena alzata è il saluto al sole. Posizione della montagna, piegamento in avanti, cobra, cane a testa in giù... a praticare lo yoga ha iniziato per gioco, ma adesso non potrebbe più farne a meno, perché dopo la seduta mattutina si sente più forte, pronta per affrontare la giornata.

The first thing Giulia does when she gets up in the morning is salute the sun. Mountain pose, forward fold, cobra, down dog... doing yoga started off as a bit of fun, but now she'd never give up those morning sessions that leave her feeling stronger and ready to tackle the day.

Alessia ha sempre amato mettersi in posa davanti all'obiettivo per ricordare i momenti più belli. L'arrivo del primo smartphone ha fatto il resto. Se oggi può contare su decine di migliaia di follower è perché si è inventata un modo tutto suo di raccontare il suo stile, ricercato e originale come i suoi post.

Alessia has always loved to pose for the camera to capture those special moments. The advent of the smartphone did the rest. And the fact that she now has tens of thousands of followers is because she's come up with her own unique way of showing off her style: as refined and original as her posts.

Quando è seduta davanti alla tavoletta grafica, Anna non resiste: traccia una linea, poi un'altra, e a poco a poco ecco che le cose prendono forma. Oggetti, fiori, facce, animali, paesaggi: tutto può diventare il soggetto delle sue illustrazioni gioiose e colorate che regala agli amici e vende online.

When Anna sits down with her drawing tablet, there's no stopping her: she draws a line, then another, and things slowly start to take shape. Objects, flowers, faces, animals, landscapes: any subject is fair game when she gets creative, gifting her joyous, colourful illustrations to friends or selling them online.

Valentina è cresciuta in campagna, arrampicandosi sugli alberi come il barone rampante del famoso romanzo e giocando tra le ortensie del giardino. Anche adesso che studia scienze naturali lontana da casa, al verde non sa proprio rinunciare, e ha trasformato la sua stanza in una giungla rigogliosa.

Valentina grew up in the countryside, climbing trees like a monkey and playing among the hydrangeas in the garden. Even now, as she studies life sciences away from home, she still can't help bringing the outside in, turning her room into a thriving jungle.
